

## Groot XL Vessel Configurator

With the successful introduction of the first vessel build according to the 'GROOT XL' concept, we are proud to introduce our 'GROOT XL series' by officially releasing the 'GROOT XL Vessel Configurator'.

The GROOT XL series contains 4 standard designs in the range of 5200 – 7300 DWT minibuiker/MPV vessels. Choose your new vessel by using our brand new 'Vessel Configurator'.

Follow the link below and start selecting the desired options. Start the process with the vessel size, select your colours and propulsion and finally personalize your vessel with your own funnel logo. Experience your vessel with our unique 3D presentation and additional augmented reality function. Augmented reality allows you to use your smartphone and walk around the Vessel

When you are satisfied with your new vessel, the datasheet can be downloaded with your own personalized view.

So, let's get started, visit our website <https://www.5200XL.com> or [click here](#) to start the configuration.

### Launch MV Vertom Cyta

February 23rd 2023 the second vessel in a series of 8 diesel-electric powered 7,000t dry cargo vessels, mv 'Vertom Cyta' was successfully launched. [Read more>>](#)
